

## *The Liverpool Botanical Society Library Catalogue*

### *December 2007*

The society library is housed within the botany department of the World Museum, Liverpool. The books are listed below, in alphabetical order by author, and they range in date from 1808 (*A Catalogue of Plants in the Botanic Garden at Liverpool*) to 2003 (*Fungi* by R. Watling). There is wide coverage of local, national and world botany, covering many orders of plants and fungi.

Books are available for borrowing only by members of the Liverpool Botanical Society. They may also be consulted by appointment; please contact the Hon. Librarian, Donna Young, World Museum Liverpool, William Brown St, Liverpool L3 8EN,

tel. 0151 478 4370, or email [donna.young@liverpoolmuseums.org.uk](mailto:donna.young@liverpoolmuseums.org.uk)
